Deliverable Number: 4.4

Deliverable Name: Feedback Questionnaire

Dissemination: Public

Description: In order to provide a framework through which to analyse trainees' views, several questionnaires were produced which could be responded to online. The questionnaire(s) provided material that could be followed up through email or other conversations and formed the basis of the report and recommendations for modifications.

## Feedback Questionnaires

Various feedback questionnaires were developed during the process of the teacher training course. These are described below, showing the date of data collection and a link to the actual data collection instruments.

### 1). Self-Evaluation Questionnaire for Participants After the CAMELOT Teacher Training MOOT 1

**Start of data collection:** 31.03.2015

**URL:** <https://www.surveymonkey.net/results/SM-KVFXVGVJ/>

**Description:** This questionnaire was for participants to discover how much they had learned during the MOOT 1 course and to give them a focus for what they needed to do next to continue to develop their own expertise in machinima making.

### 2). CAMELOT Project Training Evaluation

**Start of data collection:** 24.4.2015

**URL:** <https://www.surveymonkey.net/results/SM-8JT2YGVJ/>

**Description:** This questionnaire was used to find out what worked, did not work well, and could be improved from MOOT 1, so that we could improve the course for the second iteration.

### 3). CAMELOT Project MOOT (25 May- 3 July) Evaluation Form

**Start of data collection:** 25.5.2015

**URL:** <https://www.surveymonkey.net/results/SM-XYWZYGJVJ/>

**Description:** This questionnaire was used to investigate how participants felt about what they had learned on the MOOT 2 course, to see if everyone had achieved their learning goals and were satisfied with the course.

**4). Self- Evaluation Questionnaire for Participants Starting the CAMELOT Machinima Open Online Training Course (MOOT)**

**Start of data collection:** 25.5.2015

**URL:** <https://www.surveymonkey.net/results/SM-BZHQ2GVJ/>

**Description:** This questionnaire was used for participants to see what they already knew before MOOT 2 and for them to see where they may be able to take advantage of the tutorial videos offered prior to the actual training sessions.

**5). CAMELOT Project MOOT Final Evaluation**

**Start of data collection:** 20.7.2015

**URL:** <https://www.surveymonkey.net/results/SM-JP38CGVJ/>

**Description:** This survey was for participants to discover how much they had learned during the MOOT 2 course and give them a focus for what they needed to do next to continue to develop their own expertise in machinima making.
